# PERSONAL SKETCHES

## OF SOME OF THE PROMINENT MEN AND PIONEERS OF MIAMI COUNTY.

### JOHN AMBROSE GRAHAM

was born in Baltimore, Maryland, January 8, 1817. His parents were natives of Ireland, and came to this country in 1815. They

were natives of Irdand, and came to this country on 1843. They limbed in Baltimer in 1604 vor, after a stermy passes of 1600 months, their vessel leving mently wrecked, and her passenger undergoing can tarbablishy sharing their probousy developer, undergoing can tarbablishy sharing their probousy developer. In 1856, the family mixed to Dittsburgh, in 1827, to Wheeling; and in 1832, to Indiana, the subject of this sketch remaining at Harper's Ferry, aled king in a storm, and 18-35. In May of that year, at the age of cightness, he is stretch for both one, which is a stember of the three probability of the month of the Wholsh, where he was landed at middight by the year, the best of all remaining a present to part for retainment for the meant of the formation and up stream to put be failed by the yard, the lost only rounding had up stream to put be followed by possing of that point above for only for miss around was under water, and the surrounding of his first neuthel or Hossier sell, so first they rould be taken in by the eye through first planners of monellight, were ust of a character to impair favor-

able first impressions

The mouth of the Wahash, of the youthful pioneer's mental pio-The month of the Waffach, of the youthful pioneer's mertal patering, was a town of houses and people, the place in readily was without either. It presented nothing to the eye, at that time, but a dreary waste of turbol water, and to the err no sound but the err of some wild hird and the erash and crunch of the drifting timber. Not a living creature or sign of habitation was in sight-no bus to convey him to any part of the city, and no loquations runner presenting the superior advantages of the hotel in whose interest he was emyed. On the contrary, the young traveler was permitted to copy sweets of solitude, which be did sitting upon his baggage barely out of the water, where it had been placed by the surly boutinen, antil near daylight when, to very the monotony, he ventured up on top of the hank above him. Here something like a building was top of the bink above him. Here something like a building has contined in the obscartly of the morning fee, and the faint but welcome sound of human voices struck upon be set from a point faring as the river. Advancing controlly in the direction of the sound to a point about half a mile above where he had been landed, he found a stemmbat bound up the Walsoba at ria a Chimou, and he took a seamous wound up the witness as far as Unition, and he book passage for that point. Here, after several dwys detention by high water, he took the stage for Laffsyette. At Laffsyette, the hotels were full of people, all seemingly having the same business—land-hanting

water, he took the stage for ladiyette. At l'adiyette, incolors were full of people, all seeminely havine the same business—shad-haring for bones. Finding the sext in this stage for languagent taken for pay bit passage and watch in turn to severe one the world have one pay bit passage and watch in turn, the people of the passage and watch is turn, the people of the passage and watch is turn, the people of been they had shipped to a point on that river to New York, and had to ship it back seain to Pero. They tried the experiment again, in 1840, building flatboats, and shipping by way of the W. bush to New Orleans, but this venture was equally unsue requence of hard times, glutted market, and low prices uninconstal in some

The partnership of A Wilson & Co continued until 1841, when the subject of this sketch was elected Sheriff of the County, to which office he was respected in 1843, and which be filled until the which office he was respected in 1845, not when the filled until the expiration of his term, in 1845 - In February, 1846 S. Tisber, then Superintendent of the Wabash A. Erre Catal appointed him clerk in the Canal Land Office which he held and the Summer of 1847. the Canal Land Onter with the held until the Summer of 18th, when, under the study state the Stand-disk, known as the Bullet Bill," their out of binness of the Legislation of the Land Office he bought the printing office, which was known idle, because several efforts to establish in obsester, in the place held filled.

After a renovation of the office he presented to the people on the 23th of June, 1845, the first number of the Mount County Scatinet, 2 un of a line, 1845, the first number of the Moone County Section, which be conducted as culture and proportion and the superar of 1861, a period of arc thirteen wars. The paper succeeded in a bisence-point of view and second or of the feeding. In function papers, the state, I result published, although a line passed through a period lands, since his connection with it result. was a zon of Hiram and Nancy Butler, and grandson of Wm and Elizabeth Butler

Eliadeth Butler. Her father, was horn Dec. 21, 1808, in Warren Hiram Butler, the father, was horn Dec. 21, 1808, in Warren County. State of Georgia. During boybood, was brought by his points to linkain. Here they first settled in Wappe County, then in Henry County, and finally in La Forte County. There he welled Nancy Crumpaker, Nov. 22, 1828. She as it handlers of Jac and Elizabeth Crumpaker, born June 14, 1802, in Bedford County, Vicinity. Me mitterfact with their measures in La Durie County. Virginia. She emigrated with her parents to La Porte County,

1839, Hiram Butler and young wife moved to Perry Township. Miami County, where eventually he became the owner of a large estate. He soon grew to have the confidence of the people of his new county, and in the years 1849 and 1852 respectively was elected County Commissioner, serving as such two full terms, or six elected County Commissioner, serving as such two full terms, at six years. In 1870, bit sume was anounced for the same office again, but before the convention was held—May 4 1870—he was keked and killed by a horse. He was burned with Mesonic hones, in the cemetery at Gilead; and it is said his functal was attended by the largest concourse of people ever witnessed in the north end of Mumi

County.

His widowed wife still lives on the old homestead, in Perry Township, with their only son, Wm. L. Butler, to whom this is delivated.

He was born at this homestead, January 27, 1841 Growing to manhaod, Feb. 7, 1867, he married Miss Catharine Tridle, daughter of Jacob and Sarah Tridle, of Koscinska County, Indiana She had one to Indiana with her parents in intency, from Minni County, thin, where she was horn, Ounber 27, 1540

A sketch of that idd homestraid with portraits of Hiram Butler

and wife, and Win. L. Butler and wife, can be seen occupying a full page in this volume. Wm. I. Butler is now in the prime of life. He is surrounded with confort and plenty, and may a happy future

## GEORGE WILKINSON, LINCOLN ALLEN TOWNSHIP

This worthy citizen of Miami County is a native of Ross County, Ohio. His father, John Wilkinson, emigrated to that county, at an early day, from North Carolina—the State which had given hirth to

both the father and the mother.

Tracing father back his origin, his grandfather Wilkinson was born in Ireland, while his mother had descended from German ance born in treshed, while his mother had descended from German accessing George had been hear February [8, 1447]. During the Following had been trended by the George of this part characteristic had his twentieth year (1856), his father's family, including himself, took their haze of the State of this mad emirated to the Hoesier State. Of course, at that time, there was no other medium but the overhand. A double or team was complesed and two stylene days

re required to make the journey of three hundred miles. They spent their first Winter in the then hunde of Mexico, this comes spear their new water in the their names to the cost, of security, changing, the following Spring, in the spot where now stands the village of Lancoln, and there established a permanent settlement. At that time the terrifying yell of the Fort watermes still rang through the forests of Minon County.

through the forests of Minni County.

The Williamsea, we re the fourth family to settle in the present
limits of Allen Township—these of John, Horton, George and
William Neess only having preceded them.

During those pomeet days, billions diseases were very prevaient.

During those pomeer days, inflows theeases were very preclaim. The atmosphere, of course, most have been trained more with indi-ring pursues than since the degree tumber began to disappear, since the glorious son could pointrate to shed its golden, healthful may, and since skill and industry have notative? I channels for distinge. The exposure were too severe for the endurance of the latter. He deed December 24, 1-33. The mather moreoloody sourced home turny-two years. She ballowed him to the Codden Sheres in 1-70.

Upon the death of his father, George—then 21 years of agetook upon limited! the rare of his widowed and agod mother and the management of the homestead. At 35 years or in 1852, he would d Mass Sardick! Powell with whom like has since been happing spent Mass Sarth of Third and Mass been for some course, for imaging specim.

M. E. Church. In element of himself, with that church in September. 15.4.3 and has since been a rote stant member, hobbin since energy in the same the offices of CL or Leider, Steward and Trustee At the general doction head in 1554, he was cheef 1, for a term of

four wars, Recorder of Miron County, serving his bill term co-hiably to brood found discounty as a servinit for the public. In 1-50, he, with others, petricuol the Board of County Commissioners for a

division of (then) Union Township. The petition was granted and thus, from the north half of Union was constructed the Township of

len, as moy appears.

During the Fall, also, of that year (1859), he and his by ther James erected a building for a store at what is now the northwest corner of the town of Lameba, purchased a small stock of goods and control to the form of the parameter of small sees on bease me to the form of the parameter of the parameter

ten dediars each The L. P. & C. R. R. was completed in 1839. During that year, Mr. W., jointly with Mr. James M. Powell laid out what is known as Wilkinson & Powell's Addition to the Torn of Lencoln. Also, during said year (1839). Mr. W crested the building for a railroad depot at Liucoln, then selling it, creeted the grain warehouse at the same town. Since then up to the present year (1877, he has been connected with the grain and warehouse business, but he has now connected with the grant and warehouse missies; out no maintee critical. He says for many years after this settlement in size is now Alber Township, he know, by name and counts name, nearly very voter in the meth half of Miami County. But at this time he is manufaminted with many of the voters of his own township; and feels that he has become largely a strategy in his own inde-

He is now in his it'let your, and asys that, no taking a perios of his life, he sees in it many defects, what is thankful to the Allowse Being for His goodness and mercy wherearth he has been ble-sed, so that, in the language of one of old time he crelature, vito-siness and mercy hath followed me all the days of my life."

May life eight gone are and decised of usefulness yet be many.

## JOHN AKRIGHT, GILEAD, PERRY TOWNSHIP

OHN ARRISHT, GIRRAY FORRY TOWN-OHP
This most worthy citizen of Vainia Conory is by descent a comhination of Buelloh and forman. His grandiables, Abraham
Akrielt, born in England, resease the Atlantia to Alexterna shows
at the new of T3 years. At the bracking out of the lieuderion, he

## OLIVER CAULK.

Mr. Oliver Cutk, whose biography we here briefly outline, was sorn in Could County, Maryland, November L 1722. His nationals ded when he was lost three wesks old when he was about three wesks old when he was about of the processor a very liberal education. He made

under, through whom he besteved a very near constant of period periods in his studies, and acquired extraordinary professions in the art of permansilies. He has the throughly accomplished in all the branches second for a good period education. At the age of 12, he was sent to Phila kiphax to acquire a commercial education. There he romand cleave versus during which time he became throughly conversal with all the various which time he became throughly conversal with all the various Becoming dissatisted with commercial life, he commercial forms. Becoming dissatisted with commercial life, he retired to one of the farms bequeathed him by his father, situated in the eastern part of Maryland, where he resoled several years, follow-

ing the pursuit of farming.
When 31 years of age, he married Rachel G. Cox, in the

ing the parsuit of farming.

When 31 years of age, he married Rachel G. Cox, in the year 1845. He subsequently returned to Philadelphia, where he engeged in the whole-site with tribe. This entraprise domained his whole attention, and in consequence of the close confinement that excessionated, his health legan to tail. Believing that he property and in the year 1843 removed not tail. The constraint that he property and in the year 1843 removed with the first of Maint County, bidding. Here he purchased to the total and chen known as property and in the year 1843 removed with the first of health chen known as the family in Legansport, then searcely more than a villace. In the following Syrme, he removed with his tamily to the form. The family consisted of binned, wite, one son and two daughters the latter young ladies). The country then was new, and very sparsely settled, the nearest acidhor heing two miles distant. Here been, deer and velves roamed the trackless torses, duries unmodested. Contine from the populous city, so abundantly supplied with eliginous openial advantages, the change associated as it was, with the least of any second advantages, the change associated as it was, with the least of any second advantages, the change associated as it was, with the least of the second and the s from the populous city, so simulations supplied with religious and social advantages, the change, associated as it was, with the seeners of frontier life, had a depressing influence upon the bousehold who had context the widefreness to link their distinces with the greats better linkings. With his courage as his section of the production of the PR Calls applied a constitution of the production his workland. Mr. Caulk applied his entries to the task of reducing his wordland form to a star of productiveness, sorking cardy and late to his endeaver to improve the land. Success troomed his efforts, and he lived to see his brightest buyes realized. He lived a pure and noble like and was noted for his write probilty of chamber? He was bord and respected by all who came within the pale of his goal influence. He was a consistent mem-ber of the Society of Friends disturbed how and confident mem-ber of the Society of Friends disturbed how and confident mem-

wom me pare of ms ee not influence. He was a consistent nember of the Society of Friends, during a long and useful life, and after attaining the ripe old age of 77 years he departed this life, lamented by a large circle of friends, on the 5th day of October, 1869

## JOSEPH M. DARBY.

His premises, as sketched in this Atlas, are in full view of the town of Xenia, south, on the Jerome road, his farm extending to the

corporation.
His futher, Owen Darby, was of New Jersey, and of English descent. He mother, Margaret Fritte, was of Virginia, and of German descent. They were married in Virginia, in 1799, and were the man descent. They were narries in a narrain, in color in a keep par nts of eleven children—three doe there and right sons—Joseph, the subject of this narrative, being the youngest. He was horn in Butler County, Ohio, Echroary 27, 1-19. It mother died when he had been provided by keep propriet in kind. Buther County, Dido, Edward et al. 1-19. In moder due when he was about four year old, consequently the known making at a kind underest our and training. His father merred again shoully after an arrest to Expect County, this State. I have years afterward, for morted a small form in the same county, seven miles scatterest from County with, the to martly war on what a we then called "Homilia Ridge," a he dishe bearing, and more a beautiful section of country. On this form song Darly speed rife by very of bedom life, showing majority, so edge-keer, toppong quick, foliage and systeming, with others of the seconds of Mills and Small training with others of the seconds on Lorends and Small training with medes in Lorge and Smail trarrison Crocks united in the contraints of lattice and countries of the second against a seek into a season of his father on the tarm, is best has young hands could do, in time of harvest, "gouging" for his father and others, by which means he he ame a good resper, and, at the age of filicen, made a of full barrel

We regret that limited space precludes a more extended biography.

### REV. GEO BROWER

Rev. Geo. Brower was born in Frenchin County. Virginia, in the year 1799. In 1804 his parents, with their Lamily of seven children, emigrated to Ohio. They purchased three hundred and (wenty acres of land, on the north bank of the Great Mianii River. In 1842, the subject of our sketch removed to Indiana, locating on the north bank of the Ed River in what is now Jefferson Township, in Weimi County. Shortly after his settlement, he purchased a tract of land containing a fittle more than 1,000 norses. This tract he has divided containing a title more than 1,000 acres. This trust he has divided amough its Guilly, reserving about 2000 ages, upon which the house stead is bested. The state of the processes of terr children, the process of the processes of the processes of terr children, the processes of the processes of the processes of terr children, the processes of the processes of the processes of the processes of the Mr. Brower and surfa unuted with the terman Baptest Church, about the year 1520. A few year taker have congression elseved him to the mindrey. In this capacity he has served faintfully though all the years that have followed, its longer with the circle

religious zeal overy duty moundent upon him. We join with his friends in wishing him upony years of usefulness among his neighbors and congregation, and when the "tale of his years shall have been told," may be hear the welcome greeting, "well done, thou good and faithful servant."

By cons at of Mr. Brower we insert the following. "In con-

clusion, we commend the many readers of this work to tool and the great work of salvation so easily accessible through his Son, dehis Son, desire GEORGE BROWER Church

## REV. OLIVER H. SANDIFUR, DEER CREEK TOWNSHIP,

as born in Payette County, Indiana July 17th, 1821. In the was born in Payette County Indiana July 17th, 1821. In the Fall of 1820 be mored with his periority, North and Vary Sandburn to Tippesance County, from which place they removed to Carolic County, Ind., in the sprain, of 1822. On the 1st ship of January, 1816, he removed to the "Manil Reserve," where he presumped way para later (Fall of 1838), and purchased from the Government A part of the land of 1838, and purchased from the Government

On the eleventh day of August, 1853, he was united in the hely honds of matrimony to Miss Sarah Beaver. Six children—four sons and two daughters—have blessed their union, all of whom are now living In the year 1853, Mr Sandiffer united with the Methodist Eniscopal Church, his wife being a member at this time, engaging Ecknopal Church his wife being a number at thes time, engaging in active service, two years better ouder flicers es an exhorter and in the following Accust, received a bud provider's brease. In this definition, the service of the provider's brease. In this case, the service of the provider of the service of the service of the following the longer has edifferent peoffsson by a faithful and humble discharge of the dutie of its position. He has never condition noticing in worldly circles, but with a surglemess of purpose deviates but the text the service of the Masser, in whose taxes be text sensacied and shows the repeal the delicities to in whose taxes be text sensacied and shows the repeal the delicities to expound Happy in his provinge as an American entiren his politi-ples are governed by his conscience, and the measures which cal principles are governor by an emission principles are the measures

which review his support and principles are the measures which review his support.

Note to the family circle, he finds his greatest confort in haboring for the moral welfar of those around him, resemining in the Church the power which is to rare the world from ain and digital attention to told and the aren.

## JAMES M. BROWN, Print

Armes M. Brown was born in Union County, Indiana, October F. 1826. His youthful days were spent upon a farm, enjoying the usual educational facilities afforded by the common schools of that
